BUDGET PROGRAM 2011-2012

Our budget program starts in July and ends in May. The estimated monthly budget payment is calculated by the prior year's oil usage. June is the month the account is settled.

Once enrolled in the program, you will either receive a packet of 11 coupons or we can email monthly statements to you. Whether you receive an oil delivery or not, you are only to send one payment with one coupon per month.

Your monthly payment will be calculated using a price for heating oil of \$ 4.00 per gallon. If you are interested in our budget program, please fill out the form below and return it in the envelope provided.

NOTE: If you fall behind on your budget payments you could stand a chance of future oil deliveries being held.
